Dear Parents/Guardians:

On January 8, 2002, President Bush signed into law the No Child Left Behind Act of 2001. This legislation was enacted to help ensure that every child has the opportunity to obtain a high-quality education in order to reach standards well beyond those that were previously deemed possible.

On the reverse of this letter, I have enclosed a copy of Section 9528 of the Act, titled Armed Forces Recruiter Access to Students Recruiting Information, which provides the guidelines for compliance with the requirements of the Act. In accordance with 9528(a)(1), HVRHS must provide the armed forces and colleges with the names, addresses and telephone numbers of all students currently enrolled by October 1, 2020 if that information is requested.

The parent/guardian of a student may request that the student's information not be released.

Please consider this letter notification of your rights as they refer to the release of your child's directory information by HVRHS. If we do not receive instructions from you not to release this information by November 15, 2020, your child's information will be released on or after November 16, 2020. I included for your convenience a form that you may return to the main office. Please do not hesitate to call me if you have any questions.

Sincerely,

I, \_\_\_\_\_ parent/guardian of: \_\_\_\_\_ who resides at

\_\_\_\_\_ street

\_\_\_\_\_ town

**do not** give permission for HVRHS to release my child's / children's information.
