August 29, 2022

Dear Students, Parents and Guardians:

At the beginning of each year, each student receives a Student Handbook that includes information about our school’s operations and procedures. Students have a Chromebook that will allow them to access our online Student Handbook on their Google Drive and through the school’s website. This handbook contains Board of Education policies and regulations that are extremely important to us. If you have not done so already, please take the time to review the contents of our handbook with your student.

Students and parents are important parts of our decision-making process at HVRHS, and we welcome your participation in the various committees that determine our activities and policies. I hope that your reading of the Student Handbook informs you about all of the opportunities available to Housatonic students, and I invite you to contact us to get involved in whichever aspect of the school interests you.

Please contact me via email at sschibi@hvrhs.org with any questions you have about the handbook or if you would like to get involved with one of our committees. We have groups concerned with policy, athletics, safety, school climate, and technology, and we would love you to join us.

Sincerely,

Steven Schibi
Assistant Principal

Please detach this form and sign it, indicating that you and your student(s) have read the Student Handbook, and return it to the high school Main Office by Friday, September 16, 2022. Thank you.
